

Page 9, after the fifth paragraph, insert the following:

Q5

What is claimed is:

IN THE CLAIMS:

The claims are amended as follows:

Q6

1. (Amended) A reversible wristwatch including a first case (1, 101) enclosing first elements able to control a first display (3, 103) and a second case (2, 102) enclosing second elements able to control a second display (104), said first and second cases each having a back cover (85, 86; 125, 126) and being placed back-to-back, characterised in that each of said first and second cases (1, 2; 101, 102) includes at least one securing element (4, 5; 135, 136) arranged to be secured in a removable manner to a corresponding securing element of the other of said first and second cases, to secure the first and second cases to each other in a position in which their respective back covers are adjacent.

Q7

3. (Twice Amended) The wristwatch according to claim 1, characterised in that the securing elements of each of the first and second cases (1, 2) include horns (4, 5) through which bars (6, 7; 8, 9) pass, said bars acting both as means for securing the first case (1) to the second case (2), and means for securing opposite ends (10, 11; 12, 13) of the wristband (14, 15) to an assembly formed by said first and second cases.

Q8

8. (Twice Amended) The wristwatch according to claim 1, characterised in that the first and second cases secured to each other form a movable case (100), which is mounted so as to pivot and slide on a support (105) secured to a wristband (108), the support having two parallel lateral bars (110) between which the movable case occupies two mutually reversed use positions, in which two opposite lateral faces (141) of the movable case extend along said bars.
